Students Feedback on Faculty Teaching and Learning Process Action Taken Report

Ref: BIEW / 2023 – 2024/ Student Feedback on Faculty TLP / Action Taken Report

04.10.2024

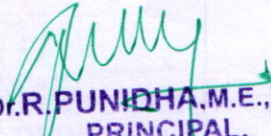

In order to improve the quality initiatives, our Institution IQAC team collected the feedback from our Students about their respective course handling faculty on teaching and learning process for the Academic year 2023 – 2024.

As a result, the collected feedbacks from students about the faculty teaching and learning process were analyzed. In this connection the Management, Principal and HoD of their respective Department **highly commend the lecturing abilities** of the following faculty members for their efforts taken to complete the course assigned to them successfully.

List of Faculty Members Receiving Appreciation Certificate

S.No	Faculty Name	Department	Semester
1.	K.Priya	AI&DS	2023-2024/ ODD
2.	K.Saranya	CSE	
3.	R.Prema	CIVIL	
4.	R.Aruloli	CSE	
5.	M.Sowmiya	ECE	
6.	J.Nilofur Nisha	ECE	
7.	K.B.Sethupathy	ECE	
8.	M.Priya	EEE	
9.	A.Sabariraja	EEE	
10.	M.Renukha	AI&DS	2023-2024/ EVEN
11.	H.Sheela	CSE	
12.	K.Ramya	CSE	
13.	R.Revathi	CSE	
14.	P.Sowmiya	ECE	
15.	R.Saranya	ECE	
16.	M.Priya	EEE	
17.	V.Gomathi	EEE	

The appreciation letter from the Principal's office was delivered to the above faculty members to motivate them further to deliver their lectures to achieve academic excellence in the student community.

26.04.2024

To

Mrs.K.Priya,
Assistant Professor,
Artificial Intelligence & Data Science,
Bharathiyar Institute of Engineering for Women,
Salem – 636112.

Dear Mrs.K.Priya,

I express my sincerest appreciation for all the effort and commitment you have made as a Faculty member to teach the course AD3391-Data base design and Management.

Your commitment to the students and to your profession is unparalleled.

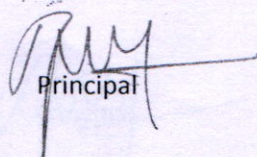

It's admirable that you are so passionate about teaching and guiding students to success.

Your enthusiasm for education and for assisting students in achieving their objectives is inspiring.

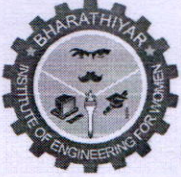

We've all noticed and admired your dedication to excellence and your tireless efforts to make sure that your students receive the best education possible.

You have gone above and beyond to ensure that students have the resources and guidance they need to reach their full potential.

We are all inspired by your dedication and enthusiasm for teaching.

26.04.2024

To

Mrs.N.Sudha,
Assistant Professor,
Artificial Intelligence & Data Science ,
Bharathiyar Institute of Engineering for Women,
Salem – 636112.

Dear Mrs.N.Sudha,

I write this letter as a formal reprimand for the lack of commitment you have recently shown to teach the course AL3391-Artificial Intelligence.

It is essential that Faculty members strive to create an engaging, interactive learning environment for our students.

As a Teacher, it is our responsibility to ensure that our students are receiving the best possible education.

We must make sure that our lessons are interesting and relevant, and that our students have the opportunity to ask questions, engage in critical thinking, and develop their own ideas.

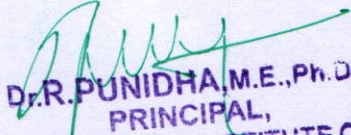

I understand that not every student learns in the same way, and that there must be a balance between the traditional methods of instruction and the use of technology in the classroom.

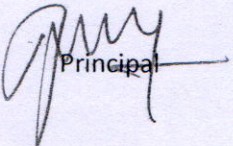

However, I believe that our faculty must make an effort to use the latest technological tools in order to better engage our students and to provide them with the most comprehensive learning experience possible.

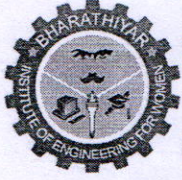

I expect that all faculty members will make a greater effort to ensure that our students are receiving the best possible education.

I also expect that our faculty will make an effort to stay current with the latest educational trends and technologies.

In this connection you are informed to attend the Counseling meeting with your HoD on 26.04.2024, in the Principal Office.

Dear Mrs.M.Sowmiya,

I write this letter as a formal reprimand for the lack of commitment you have recently shown to teach the course EC3651- Transmission Lines and RF Systems.

It is essential that Faculty members strive to create an engaging, interactive learning environment for our students.

As a Teacher, it is our responsibility to ensure that our students are receiving the best possible education.

We must make sure that our lessons are interesting and relevant, and that our students have the opportunity to ask questions, engage in critical thinking, and develop their own ideas.

I understand that not every student learns in the same way, and that there must be a balance between the traditional methods of instruction and the use of technology in the classroom.

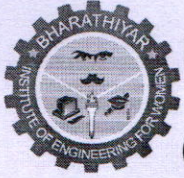

However, I believe that our faculty must make an effort to use the latest technological tools in order to better engage our students and to provide them with the most comprehensive learning experience possible.

I expect that all faculty members will make a greater effort to ensure that our students are receiving the best possible education.

I also expect that our faculty will make an effort to stay current with the latest educational trends and technologies.

In this connection you are informed to attend the Counseling meeting with your HoD on 26.04.2024, in the Principal Office.

Counseling Call Letter

Ref: BIEW / 2023 – 2024 / ODD Sem / Students Feedback on Faculty

25.04.2024

To

Mrs.Manjula A,
Assistant Professor,
Electronics and Communication Engineering,
Bharathiyar Institute of Engineering for Women,
Salem – 636112.

Dear Mrs.Manjula A,

I write this letter as a formal reprimand for the lack of commitment you have recently shown to teach the course EC3354- Signals and System.

It is essential that Faculty members strive to create an engaging, interactive learning environment for our students.

As a Teacher, it is our responsibility to ensure that our students are receiving the best possible education.

We must make sure that our lessons are interesting and relevant, and that our students have the opportunity to ask questions, engage in critical thinking, and develop their own ideas.

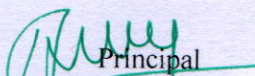

I understand that not every student learns in the same way, and that there must be a balance between the traditional methods of instruction and the use of technology in the classroom.

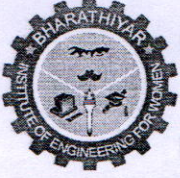

However, I believe that our faculty must make an effort to use the latest technological tools in order to better engage our students and to provide them with the most comprehensive learning experience possible.

I expect that all faculty members will make a greater effort to ensure that our students are receiving the best possible education.

I also expect that our faculty will make an effort to stay current with the latest educational trends and technologies.

In this connection you are informed to attend the Counseling meeting with your HoD on 29.04.2024, in the Principal Office.
