Stakeholders Feedback on Infrastructure Facility (Ambience) Action Taken Report

Ref: BIEW / 2022 – 2023/ Stakeholders Feedback on Infrastructure Facility / ATR

11.09.2023

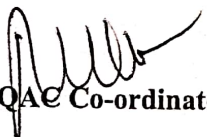

In order to improve the quality initiatives, our Institution IQAC team collected the feedback from our Stakeholders (Students, Faculty Members, Alumni, Employer & Parents) about Infrastructure Facility (Ambience) of our Institution to enhance the quality of Infrastructure facilities for the conducive environment for learning and to meet out the Infrastructure requirement for Curricular/ Co-curricular / Extra-curricular Activities for the Academic year 2022 – 2023.

As a result, the collected feedback about the Infrastructure Facility (Ambience) of our Institution were analyzed and discussed in the Governing Council meeting about the Views / Suggestions of Stakeholders to enhance the Infrastructure requirement for Curricular/ Co-curricular / Extra-curricular Activities.

As per the direction of Governing Council Committee Members the following Infrastructures / facilities were created / enhanced for the benefit of the students' community.

List of Infrastructures facilities Created / Existing & Enhanced

S.No.	Name of the Facility	Nature of the Facility
1.	Incubation Centre - Centralized	Introduced
2.	Green Campus initiatives	Existing & Enhanced
3.	Solar PV System	Existing & Enhanced
4.	Library Books and Magazines	Existing & Enhanced
5.	ERP	Existing & Enhanced
6.	300Mbps WIFI Facility	Existing & Enhanced

1. Alternate Sources of Energy and Energy Conservation measures

SOLAR PANEL-24KW

Solar panels have been installed on our campus to reduce our carbon footprint and save money on energy costs. They can provide a clean, renewable energy source that helps the college minimize its environmental impact.
