SUMMARY OF EVENT

- A Workshop on Yoga for Stress Management was conducted on 21st March 2024. The resource person for the session Mr. K. Balaji, Yoga Dybt Professor, Attur.
- The objective of this workshop is to provide a spiritual discipline based on an extremely subtle Science which focuses on bringing harmony between mind and body. It is an art and science for healthy living.
- He explains the importance of yoga i.e. practice that connects the body, breath, and mind. It uses physical postures, breathing exercises, and meditation to improve overall health.
- Yoga has long been known as a great antidote to stress. The ancient practice combines modern stress-reducing techniques like moving your body, learning to control your breath, and clearing your mind. Establishing a consistent yoga routine is the best way to experience the difference yoga can make. And also teach some yoga steps.
- Then this workshop gives motivation for all staff members to do yoga everyday and also learn how to manage stress day today life.
