**Academic Year 2023-2024**

## Internal Quality Assurance Annual Report

### 1) UNIVERSITY RESULTS

- Around 77.07% of final year students got passed in the UG and PG end semesters examination conducted by Anna University, during Nov/Dec 2022.

### 2) AWARDS AND RECOGNITION

- Our college got 14<sup>th</sup> place in Naan Mudhalvan placement ranking among 315 colleges in Tamil Nadu and also got 2nd place in Salem District for the academic year 2023-2024.
- Ms.R.Kiruthiga, III CSE got second Rank in Imagecon Engineering Day Contest 2023 conducted by Imagecon Academy , Salem.
- Ms.V.Bavyashree, III CSE got First Prize and got cash prize Rs.15,000 in Intra-College Level Technical Quiz Competition conducted by KIMO Bangalore.

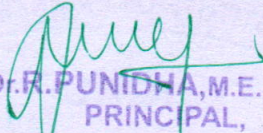

### 3) NEW INITIATIVES

- AICTE approved for increasing the intake of B.Tech (AI&DS) Course from 60 to 120.
- The resolution was done for applying the AICTE approval process for Computer Science and Engineering (Cyber Security) new course with the intake of 60.
- MOUs have been signed with DADB India PvtLtd(German Academy of Digital Education), Tracotech Training Academy Private Limited, Coimbatore , Trueline research private Limited ,Veranda Learning Solutions Limited.

Our College were arranged several facilities as,

- LCD Projector for 22 Classrooms
- Gym and Yoga Center
- ERP Software for Admission, Academics, Library, Exam Cell and Administration.

- Waste Disposal Facility (Solid Waste, Paper Waste, E-waste, Bio-Gas Food waste, Liquid Waste (STP))
- Ramp for Physically Challenged and Tactile Path for Blind Persons
- Ambulance Facility
- Napkin Vending and Destroyer Machine
- Sign Board in all Floors
- Handle facility in Toilet
- Watchman Cabin in main gate
- Two Wheeler and Four wheeler Parking
- Solar Panel for 24 Kilowatts in B Block
- Setting Wi-fi Devices in C-Block for students' access to attend Nan Mudhalvan Course.
- Setting camera in the entire campus.

#### 4) RESEARCH AND DEVELOPMENT ACTIVITIES

##### a) NAAC Work Status

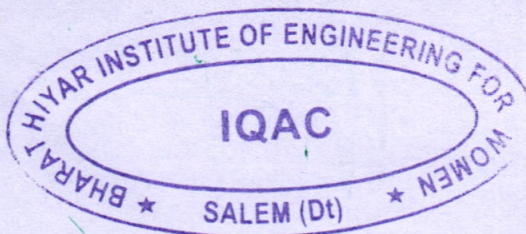

- The NAAC peer team committee visited on two days 27.07.2023 to 28.07.2023 of our college and finally our college accredited with B+ Grade.

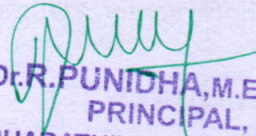

##### b) Research Scholars

- Faculty members Mrs.D.Nithya, AP/CSE, Mrs.J.Nilofur Nisha AP/ECE, Mr.M.Durgadevi, AP/ECE, Mrs.H.Sheela, AP/CSE were selected for doing their Ph.D (Part time) in Anna University.
- 6 members were pursuing Ph.D and processed their research work.

##### c) Patents/Books published by Faculty Members

- Mr.M.Karthikeyan, Dr.P.Madhubala and Mrs.K.Saranya have Filed Patent with Grant in UK Design and project name "High Speed Data Transmission Stack Device", registered on June 20 and Grant dated on June 30(Design number is 6291606)

- Mrs.M.Sowmiya AP/ECE filed a IPR design patent titled on Lung Transplantation using Machine Learning Based Techniques on 19.06.2023.
- Dr.M.Radhika ASP/ECE filed a UK patent on the title High Speed Data Transmission Stack Design on 30.06.2023

### d) Journals/Conferences/Patents Published by Faculty Members

- Mrs. R.Kanimozhi presented a paper "An Efficient Spam Detection Technique for IOT using Deep Learning Algorithm" in the International conference on Computing Information Electronic and Electrical Engineering held at Idhaya Engineering College for Women, on 27.04.2023.
- Mrs.R.Kanimozhi Presented the Conference paper titled " An Optimised Spam Detection Technique for IOT Devices using CNN Algorithm" in the Hinwe is Second International Conference on Advances in Software Engineering and Information Technology, ASIT, Mumbai on 17.06.2023.
- Dr.P.Madhubala presented the Conference paper titled " A Secure Data Sharing and Authorized Searchable Framework for e-Healthcare System " in SERB sponsored International Hybrid Mode Conference on Challenges & New Trends in Hybrid Solar Cell Technology (ICSCT'23),held from 8.6.23 to 9.6.23 at Sri Sai Ram Engineering College, Chennai.
- Mrs.R.Kanimozhi AP/CSE, Published a paper entitled, "An Optimized Spam Detection Technique for IOT Devices" using CNN Algorithm in Grenze International Journal of Engineering and Technology, 2023.
- R.Kanimozhi AP/CSE presented a paper(online) titled "Enhancing Network Lifetime of WSNs through the Implementation of a Modified Ant Colony Optimization Algorithm" in International Conference at Hindusthan Institute of Technology, Coimbatore on 9th & 10th November 2023.

During the academic year 2023 -2024 the following seminars were organized,

### Odd Semester

- Department of ECE conducted EDC seminar titled Developing Entrepreneur Skills on 11.09.23
- Department of EEE conducted EDC Seminar titled Business Opportunities in Electric Vehicle Industry- 13.09.2023
- Department of CSE conducted EDC seminar titled Challenges in Entrepreneurship on 14.09.23
- Department of S&H conducted IPR Seminar titled Recent Trends Nanomaterials and Its Environmental Applications on 27.10.2023

### Even Semester

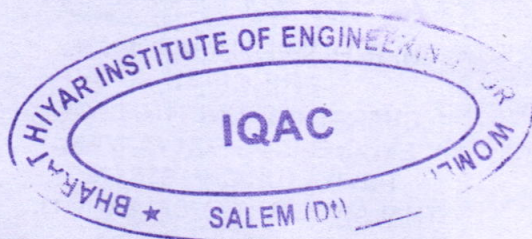

- Department of CSE conducted IPR seminar titled IPR start up and innovations on 20.03.24.
- Department of EEE conducted IPR SEMINAR titled Enforcement of Intellectual Property rights on 20.03.2024
- Department of ECE conducted EDC seminar IPR seminar titled Role of IPR for Industry and Academics on 22.03.24
- Department of S&H conducted EDC Seminar titled Solar Energy and Its Applications on 28.03.2024
