PRINCIPAL,
BHARATHIYAR INSTITUTE OF
ENGINEERING FOR WOMEN,
DEVIYAKURICHI - 636 112,
THALAIVASAL (TK), SALEM (DT).

Preamble

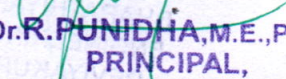

Bharathiyar Institute of Engineering for Women was established in the year 2008 by Sri Sakthi Educational Trust. The Institution has been approved by AICTE, New Delhi and affiliated to Anna University, Chennai. The aim of the institute is to impart high quality technical education to the rural girls and to promote their living standards. It has the state-of-art laboratories, an excellent library and the best computing facilities besides well qualified and experienced faculties. The institution is currently offering Four UG disciplines (Artificial Intelligence & Data Science, CSE, EEE & ECE) & Two PG disciplines (Communication Systems and Computer Science & Engineering) in Eng., discipline.

We got 25 Anna University Ranks holders including one gold medal in both the UG & PG Discipline, Our Students from all the Departments got placed in the top Companies including Infosys, TCS, Wipro, Capgemini, We have achieved 100% of placements till the academic year 2021-2022.

Our college graduate received prize from our honourable chief minister Mr. M. K. Stalin in State level Speech Competition, Our III- Year Student received an Eminent Engineer Award 2022. Our Students have won Prizes in Other college Technical Symposiums & Workshops.

We have Successfully Conducting the "Project EXPO" on Engineer's Day Every year on the remembrance of Sir. M. Visvesvaraya's Birthday. On that Expo Our Students abide the knowledge & implemented more than 100 Projects.

We have Conducted International Conference, 5 Days Faculty Development Program, Seven Days Special Camp in Eklavya School through NSS unit, Various Clubs like, YRC, RRC and Citizen Consumer Clubs are regularly conducting many activities for their self

Dr. R. PUNIDHA, M.E., Ph.D.,

THALAIVASAL (TK), SALEM (DT).

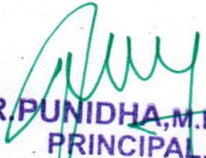

improvement and for social welfare.

Aspiring for growth and development in the field of education, should have a clear vision of its policies and procedures for the furtherance and fruition of its activities. Not with standing good infrastructure in terms of buildings, laboratories, staff and amenities, over-all academic achievement will be painfully low if the procedures, duties, responsibilities and target of every member of teaching faculties and Non teaching faculties are not clearly defined and strictly adhere to.

Individuals can put in their best efforts and direct their energies to the total fulfillment of their tasks, only if their duties and responsibilities are clearly known to them. Efficient functioning, achieving the targets, building individual profiles, avoidance of confusion and creation of good rapport with colleagues are possible only if the individuals are fully aware of the procedures and policies.

With this perspective in view, comprehensive, Human Resource norms, guidelines, procedures, duties and responsibilities for various activities have been conceived and given shape to by the combined efforts of the head of the institution and the management.

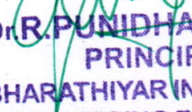

It is hoped that strict observance of these procedures and achievement of targets will eventually turn every teacher and employee into a role model to be emulated by every student of this Institution. It is also the earnest hope of the management that every member of the teaching faculty and all the employees will put in their right effort to give a positive direction towards synthesizing and imparting cost- effective quality technical education of an exceptionally high standard, for molding the personalities of future Professionals.

Dr.R/PUNIDHA, M.E., Ph.D.,
