SEMINARS ORGANIZED FOR STUDENTS

During the academic year 2021 -2022 the following seminars are organized,

- IPR Seminar was conducted for 440 students with titled Significance of Tethering the Potential Within us to Apply Patent on 26.04.2022.
- EDC Seminar was conducted for 440 students with titled Placement Awareness Skill Development for Fresher's on 10.02.2022.

TRAINING PROGRAMMES FOR STUDENTS

The alumni students conduct more number of softskill, communication skill programs for our students

Odd Semester:

- Soft Skills training program was conducted with titled Decision making and 331 students were benefited
- Language and communication skills program as Communication Skills and Self Motivation was conducted by from 24.08.2021 to 25.08.2021.
- 331 students attended ICT and Computing Tools program as Photoshop from 14.09.2021 to 15.09.2021.

Even Semester:

- 358 students attended Language and communication skills program as Non- verbal and visual communication from 15.03.2022 to 16.03.2022.
- 358 students attended Skills Training program as Modern hygiene for the Modern Women on 19.04.2022.
- 358 students attended ICT and Computing Tools program as Skill development Programme on Microsoft Fundamentals from 04.05.2022 to 05.05.2022.

VALUE ADDED COURSE ORGANIZED

Odd Semester :

- 3d Modeling for a Broad range drawing by using Sketch Up -35 civil students
- Microsoft .Net Framework Certificate course-175 CSE students
- Design Analysis and Xilinx 7series Using FGPA-197 ECE students
- Printed Circuit Board Designing course-93 EEE students
- Functional English course-207 first year students

Even Semester:

- Power System and Solar Panels-93 EEE students
- Recent Trends in Embedded Systems using IOT course-197 CSE students
- Hands-On Data analysis using Python course-174 ECE students
- STAAD PRO course-35 Civil students.
