**The assessment period**

The Internal Quality Assurance Cell (IQAC) was established in the year 2017 as per guidelines provided by NAAC. IQAC coordinator has been designated in ensuring implementation of policies framed by the institution. The internal quality assurance cell (IQAC) of BIEW has been working on developing the quality and monitoring performance indicators for the institution. The IQAC Cell has been instrumental for achievement and revision of the Vision, Mission, Goals and the strategic plans of the College. It helps in augmenting susceptible areas requiring improvement by the feedback provided by vital stakeholders comprising alumni, parents, employees, industry and others through the management information system of the institution.

IQAC conducts academic and administrative audit in every year, in which various documents are verified and documented properly. The IQAC conducts two review meetings per every year with academic coordinators, head of the departments to keep a check on all curricular, co-curricular and extracurricular activities. The review meeting points are noted and the quality improvement initiatives identified and implemented. The committee prepares action taken reports and submitted to the chairperson and the remedial action is done as per the suggestions of the committee.

From the recommendation of the Quality Assurance Committee and Governing Body Council, the institute obtains many quality assurance certificate for the improvement of quality system. It improves the quality education and as well as provides the best academic performance.
